

Oliver Ames High School Safe Grad Night

Dear

Plans for the 24th Annual Safe Grad Night at Oliver Ames High School are underway! The event will take place on graduation night, Sunday, June 7, 2020 at the Oliver Ames High School.

Safe Grad Night has become a tradition that provides an all-night, alcohol/drug free graduation celebration for the senior class. The event gives the seniors a chance to extend their graduation day with a night of fun, entertainment, activities, and food in a safe environment. It gives their parents peace of mind, knowing their children are enjoying themselves and are safe.

For the community, this event is an opportunity to openly support our graduates and reward their decision to celebrate in a responsible way. Each year, responses to this event from parents of underclassmen, senior parents and the community at large, have been overwhelmingly positive. We hope you will help us make this year's event even more successful.

We need your support! The school does not fund this event. All funding and donations of food, prizes, and rental fees for activities come from parents and the local community. We are asking all businesses within the community to help support this event. Your generous donation will help us underwrite the cost of this event and would be greatly appreciated.

On behalf of the OA Safe Grad Night Fundraising Committee, thank you in advance for your support. To learn more visit www.OASafeGrad.org.

Sincerely,

Stephanie Blass
SGN Fundraising Committee
